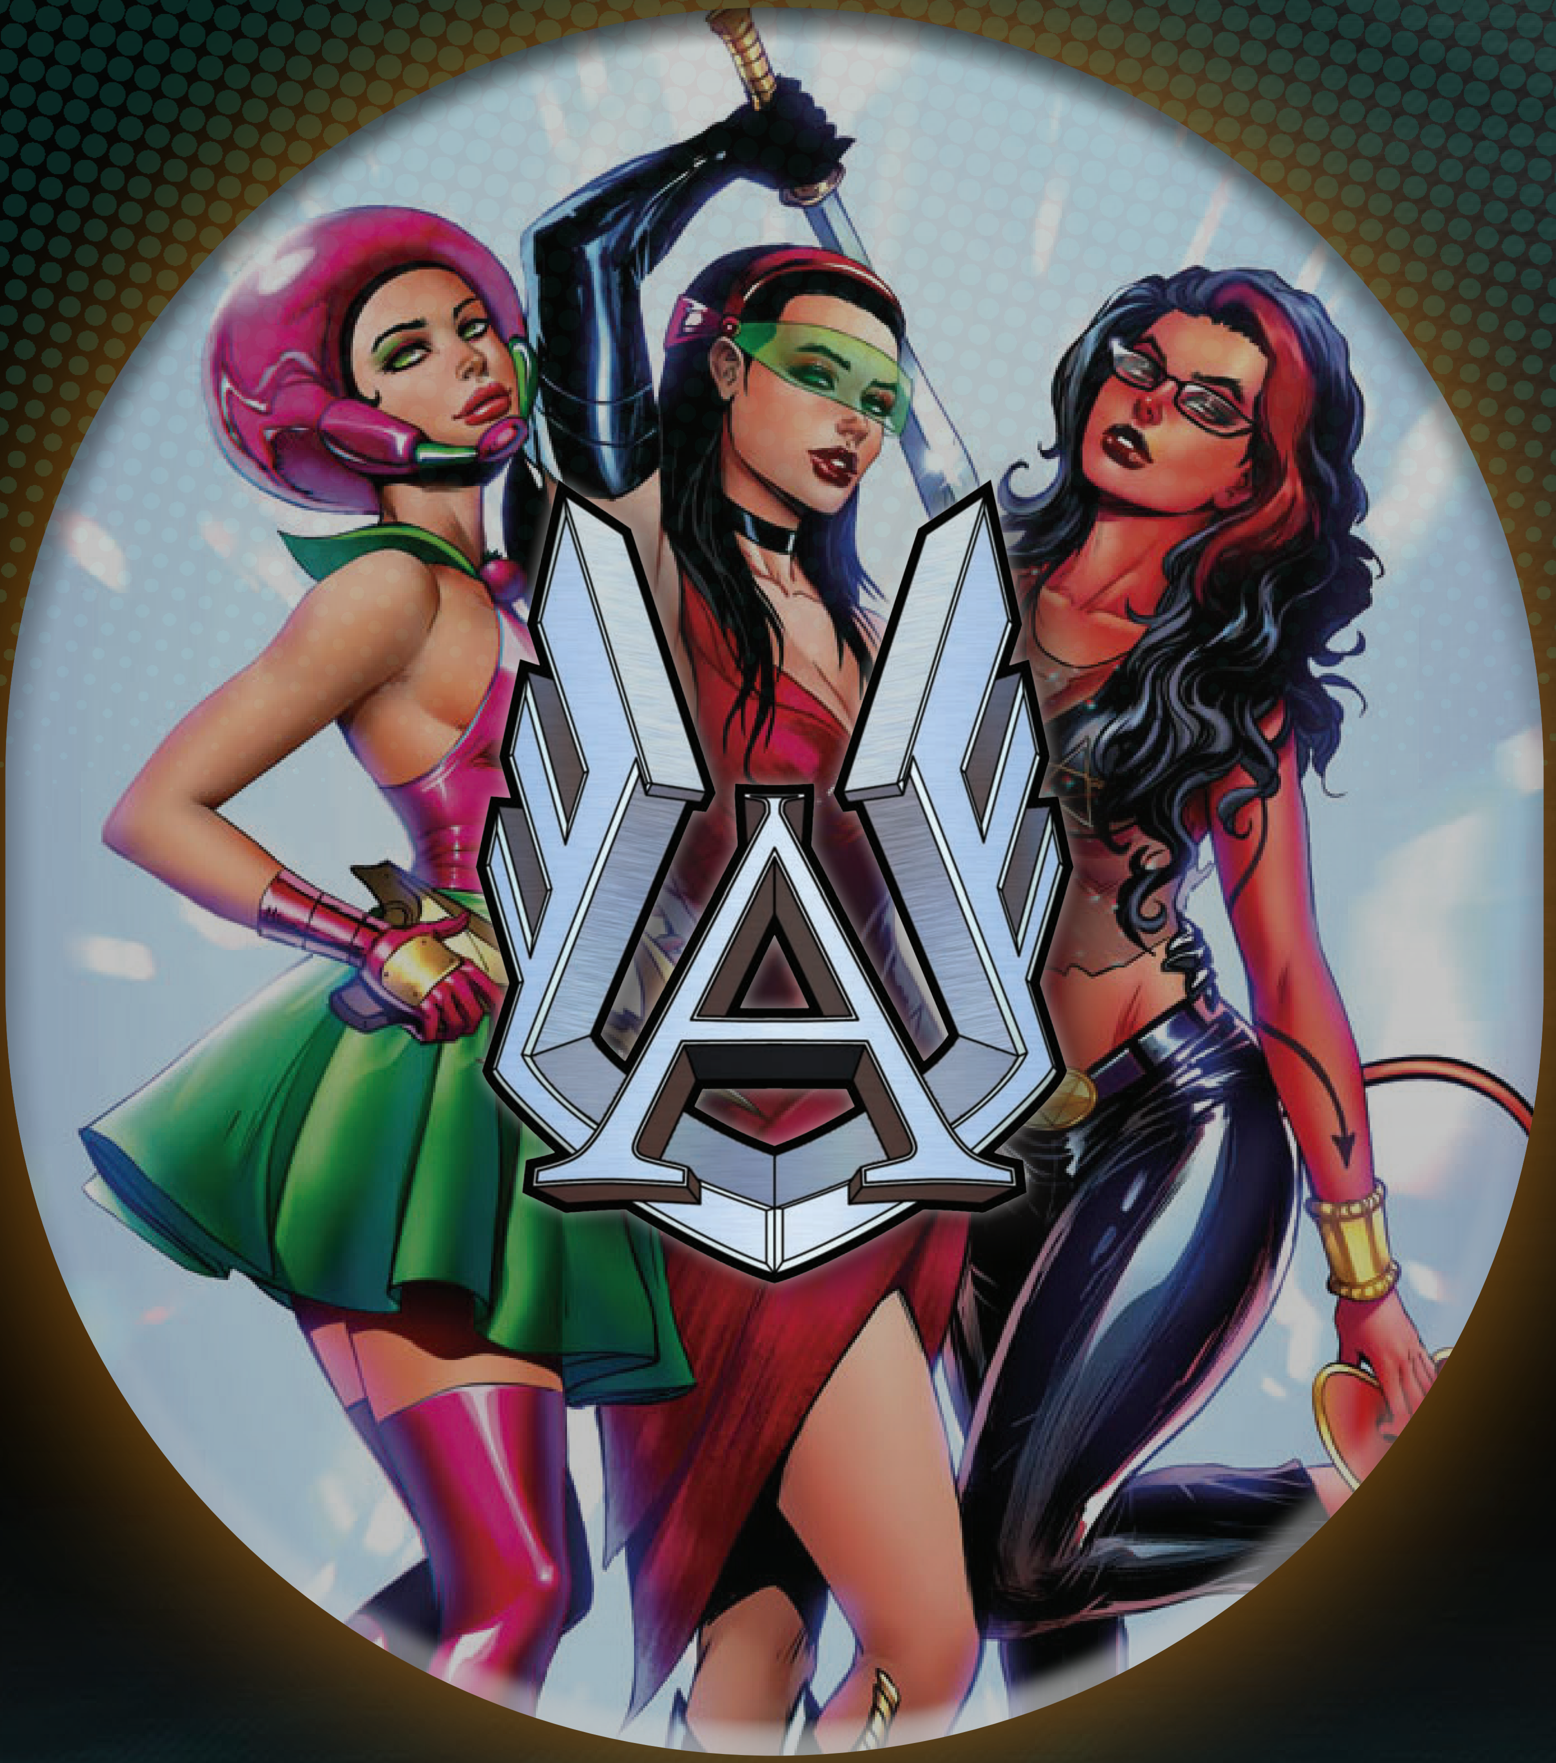
HIGHBALL

Meet Highball, ace pilot of the Earth Space Corp. He's the best shot in the galaxy, except for one problem: he can only hit the target when he's dead drunk! In his quest to save the galaxy (or maybe just do his job) Highball faces off against **a fierce but alluring bird-warrior, a disturbingly racist A.I., a crypto-obsessed fellow pilot, and, of** course, his own shameful inadequacies. HIGHBALL collects all 5 issues of the comic book series written by Stuart Moore (The Zodiac Legacy) with art by Fred Harper (Snelson: Comedy is Dyring) and colors by Lee Loughridge.



Artists Elite Presents #7contains 3 stories! In Part 4 of Brett Booth's (Teen Titans) LOST **SERPENT PRINCE, Basilisk fights to save** the sole survivor of a monstrous ghoul **attack and Morrighan finally makes her first** appearance! Then in Part 3 of Ben Templesmith's DARKSKULLS (30 Days of Night), mysteries deepen and blood is spilled! Plus in Part 2 of Freddie Williams II's BELONG (Batman/TMNT), the haunted house tale continues as Matt Long journeys to bring the sad, stray dog back home- he reveals details about his encounter with a group of missing teens.

In this action-packed prelude to the hit series, acclaimed horror writer Daniel Kraus (George Romero's The Living Dead, The Autumnal) unveils four globe-spanning tales from the earliest days of the zombie apocalypse when even the wildest rumors couldn't measure up to the horror to come. A streetwise Russian cop patrols the back alleys of the opportunistic black market that emerges in response to the crisis…a North Korean soldier observes strange happenings on the **DMZ…An E.R. nurse in the rural South fights to protect her hospital from threats without and within…A transgender flight attendant who has observed disturbing clues as she crisscrosses the globe** keeps a wary eye on the passenger in seat 23C. See how the end of the world as we know it began in this climactic issue!

Once upon a time, we lived alongside Legends. Creatures of myth. Centaurs, fauns, gorgons, kelpies, gnomes, and more. They were spectacular. Majestic. Powerful. Peaceful. Pure. In comparison, we were ugly. Weak. Warmongering. Rotten. Is it any wonder we could not live alongside them any longer? After driving these Legends to the fringes of society, an uglier form of mythos takes shape in the form of rumors of live snuff shows for dark web high rollers. When a mysterious young woman, Nessa, enlists the help of a hacker to take a tour of the grisliest corners of the Dark Web, she sets in motion a war between those who peddle to mankind's darkest fantasies and a world that transcends imagination. Trojan is fantasy thriller full of wonder and horror in equal measure.

Clover Press's Complete Tom the Dancing **Bug program strides confidently ahead** with the third chronological volume, covering every installment of the comic strip, a two-time Pulitzer Prize Finalist, from 1999-2002. This volume not only includes the comic strip's favorite formats and characters, such as Super-Fun-Pak Comix, God-Man, the Omnipotent Superhero, Charley the Australopithecine, and its cover character Billy Dare, Boy Adventurer, it also includes the strip's famed and award-winning urgent turn into political satire following 9/11. Also in the volume is Ruben Bolling's brief run of monthly full-page comics for The New Yorker, and a special comic for The Village Voice on the 2000 Subway World Series. Tom the Dancing Bug is the wildly popular, groundbreaking comic strip that Mark Hamill called "wondrous, whimsical, and witty," and that led Seth Meyers to recently write, (The fact that Tom the bug can keep dancing in this day and age is a testament to Ruben Bolling's skills as a cartoonist!)

The saga continues in Terry and the Pirates Volume 4, reproduced from Milton Caniff's personal set of color syndicate tabloid proofs! Warlord Klang makes life rough for Terry, Connie, and Burma, but they find an unlikely ally when—for the first and only time—the Dragon Lady and Burma appear in the same story! In one of the strip's most famous sequences the Dragon Lady changes her scales, seizing Klang's troops and turning them into a force to fight a hostile invading army. Meanwhile, Hunter Yurk and young Nastalthia ("Nasty") Smythe-Heatherstone stir up trouble, and a reunion with Pat and Big Stoop isn't enough to prevent a cat-fight over Nasty's wealthy papa between Burma and conniving Drusilla Crail. When Burma again takes it on the lam, the boys agree to a dangerous mission in Indo-China for Mr. Smythe-Heatherstone. This tabloid-sized Volume 4 containing the 1938 dailies and Sundays is an unparalleled upgrade that no Terry fan can afford to pass up.

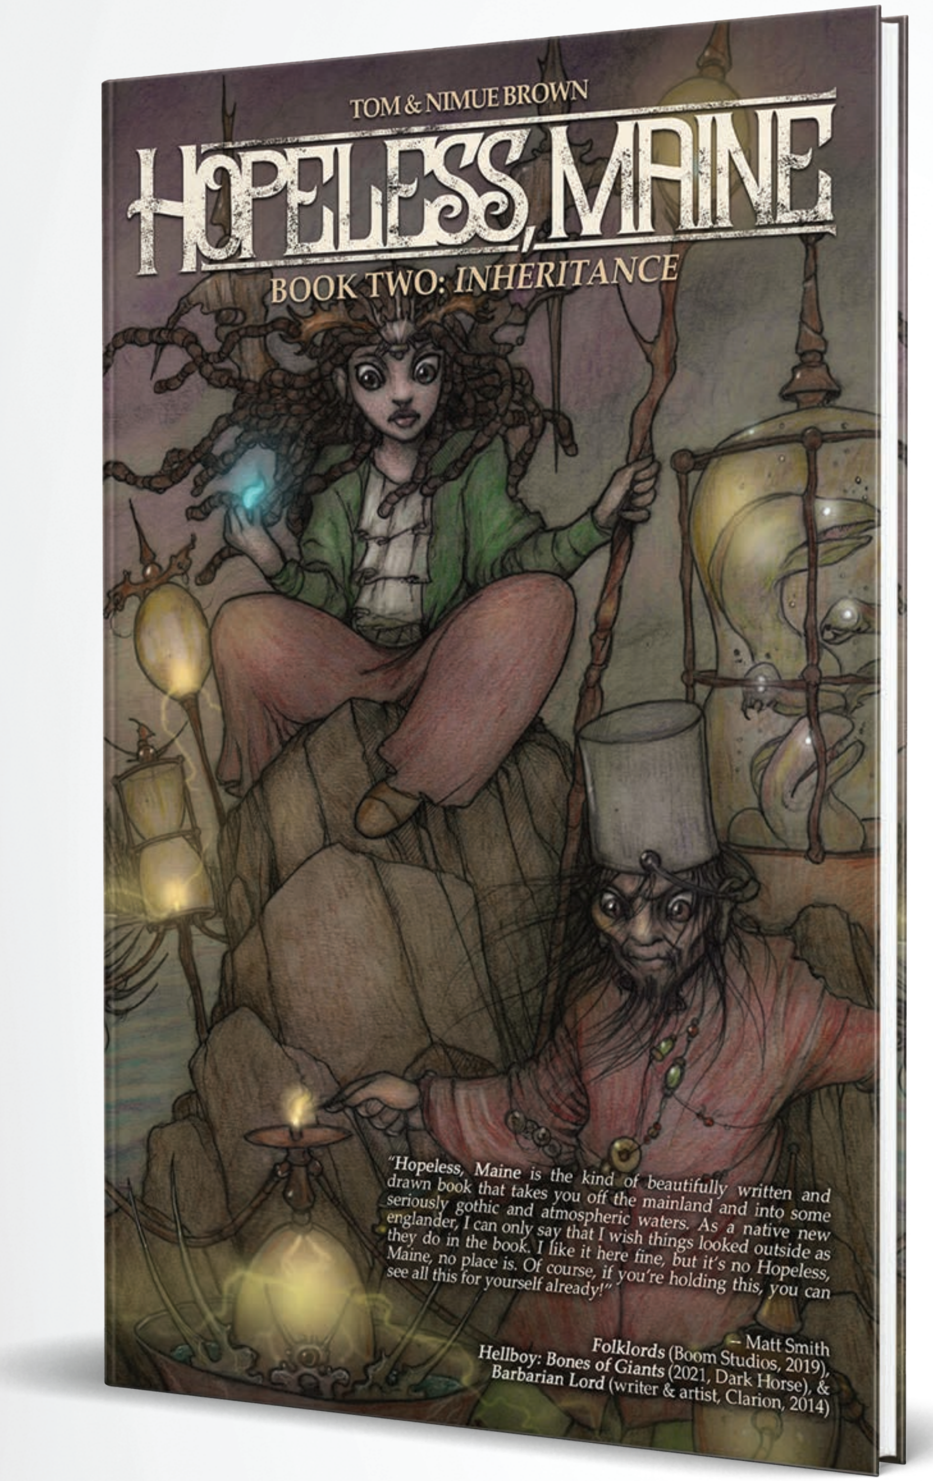
HOPELESS, MAINE: INHERITANCE



TOM & NIMUE BROWN
HOPELESS, MAINE
BOOK TWO: INHERITANCE
"Hopeless, Maine is the kind of beautifully written and drawn book that takes you off the mainland and into some seriously gothic and atmospheric waters. As a native new englander, I can only say that I wish things looked outside as they do in the book. I like it here fine, but it's no Hopeless, Maine, no place is. Of course, if you're holding this, you can see all this for yourself already!"
– Matt Smith
Folklords (Boom Studios, 2019), Hellboy: Bones of Giants (2021, Dark Horse), & Barbarian Lord (writer & artist, Clarion, 2014)

WRITTEN BY
NIMUE & TOM BROWN

ILLUSTRATED & COVER BY
TOM & NIMUE BROWN

Growing up with magic doesn't mean you have all of the answers.

On the strange haunted island of Hopeless, Maine, young Salamandra explores the limits of her powers and the strength of her convictions. Both she and her newly discovered friend, Owen Davies, face life-changing events at the Pallid Rock Orphanage and begin to take control of their own lives. Just as magic has limits, so does the ability of adults to shield children from harm and consequences in this often dire place.

This is not a story about growing up. It is a story about thinking you had grown up already—and finding it wasn't so simple after all.

The Dark Knight and the Clown Prince of Crime's alliance started off shaky, but now it seems to have shattered entirely. Batman has imprisoned The Joker in the Batcave, desperate to find answers about both the disappearance of Jim Gordon and the strange, genetically modified humanoid monsters gathering severed heads across Gotham. But when one of these monsters' tissue samples comes to life, Batman comes face-to-face with a creature even the World's Greatest Detective doesn't fully understand, and he may have no choice but to resume his partnership with his greatest enemy.

A crashed ship, a lone survivor, a monstrous secret hiding in the dark under the world. This is Dega, the new graphic novel from Doctor Who, Judge Dredd, and Firefly artist Dan McDaid. Written, illustrated, and lettered by McDaid, Dega delivers a stirring, unsettling blend of hardboiled sci-fi action, hypnagogic surrealism, and existential mystery. Hailed as “electric... A title you have to read cover to cover and back to front” by Richard Starkings (Elephantmen) and “Beautiful... Valerian meets Ronin” by mindlessones.com. The clues are all there, but hurry--time is running in...

At long last, sideshow performer Anna comes face-to-face with her sister’s killer, and she is not in a forgiving mood. But there’s a far more sinister enemy behind everything; one Anna and her friends might not be able to beat, one they might not even be able to reach. Only Anna is determined and ready for a confrontation, while everyone else is eager to put it all behind them. Ghosts were one thing. Demons were another. Can Anna find a way into another dimension to fight a god? This conclusion to the epic series is here!

Set in 1830's Europe, Once Our Land is the story of 11-year-old Ingrid; a young girl forcedto fend for herself in a ravaged city overrun by fearsome beasts from another world. It's in this cruel "past-apocalyptic" world where trust is in short supply that Ingrid forges an unlikely friendship with Fritz, a grizzled, old, eye-patched warrior. Together, Fritz and Ingrid embark on a dangerous journey to rid the city they love of the cruel beasts. Part light survival horror, part action, with strong heart and a healthy dose of levity-bringing humor, Once Our Land is an endearing tale of trust and friendship; a story about the power of community and standing united in the face of monstrous adversity.This trade collects Volume 1 and Volume 2

AGNEZ MO PRESENTS
DON'T WAKE UP
MO
PACHECO
NGUYEN
LABRADA

Inspired by singer Agnez Mo's hit music video,"Long As I Get Paid," comes an atypical avenging angel. Walking between the dreamscape and reality, existing outside the forces of good and evil, she follows her own moral code. And her methods of delivering justice aren't swift, which is not good news for John, an unsuspecting artifacts dealer with a nasty pastime and a willful insistence on his own virtue. Don't Wake Up is Catwoman meets The Sandman, where creator Agnez Mo and writer Karla Pacheco (Spider-Woman) will transport you into the dreamscape, seduce you into the heist of a lifetime, and pull you into a battle of gods for the ages.

From the mind of Jason Derulo comes a chilling vision of the future! When the U.S. government breaks up a planet-killing asteroid in orbit, the consequence is a hail of meteorites that plunges the Earth into a new ice age. Decades later, humanity is at the brink of extinction. Tribal hunter Uzo uses his enhanced physiology and dual hatchets to protect his village and the nearby temperate region created by an asteroid fragment. Elsewhere, a splinter militia controlled by a cruel leader known only as the Major seeks the uncanny ore within the meteorites that destroyed society as we know it. The Major will stop at nothing to recover as much ore as possible, even if it means destroying Uzo's village! Plus, the mystery of Uzo's powers revealed! #WHOISUZO Polar opposites go to war in Jason Derulo's Uzo! By Anthony Piper (Trill League, Marvel's Voices) and Eric Koda (Generation X, Extraordinary X-Men).

LIFEFORMS: VIVIAN
AN ANGELS AND AIRWAVES GRAPHIC NOVEL

Angels & Airwaves and creative studio Tension Division bring the psychedelic story behind the 2021 album, Lifeforms, to a new **graphic novel—Lifeform: Vivian. Co-written by Helen Mullane (Superstate,** Nicnevin and the Bloody Queen) and drawn by Amilcar Pinna (Tori Amos: Little Earthquakes, Eternal Blue: A Spiritbox Graphic Novel), the story will unspool the tale behind the mysterious woman at the center of the band's sixth studio LP as she wanders from the New Mexico desert into the life of a low-level government employee, Victor. The pair ignites a tentative romance as their world erupts in chaos, with secret agents following Vivian's every move as events erupt around the amnesiac woman that defy explanation.

DAN WATTERS
CHRISTIAN ROSADO

Tied to themes of Nothing More's hotly anticipated new album, SPIRITS VOL. I is a globe-spanning puzzle box narrative written by Dan Watters (King Diamond's Abigail, Lucifer, Azrael) and illustrated by Christian Rosado. This powerfully human epic follows the lives of four individuals from 1952 to modern day, and examines how the unexpected manifestation of their spirit selves alter and shape their destinies for a greater purpose. An enthralling story that expands on the principles of the Spirits Test, (Released by Nothing More earlier this year.) SPIRITS VOL. I is a striking tale that emphasizes the need to rise above the petty distractions that prevent humanity from becoming our best and truest selves.

Legendary bluesman John Lee Hooker lived more life in one of his songs than the collective lifetimes of many. Spanning several decades of the American experience, One Bourbon, One Scotch, One Beer tells three tales of Hooker's storied life through the perspective of those who lived within his massive orbit, weaving textured and interpretative stories that rise to the lofty creative heights of his music and fall to the gritty reality of trying to thrive in several unforgiving eras.

CHANGE THE WORLD.

Following the explosive (literally) events of *Batman vs. Robin* #4, the Lazarus Volcano has erupted, spewing dangerous and transformative chemicals into Earth's atmosphere! As these Lazarus clouds rain down upon the planet, people across the globe begin to develop strange new abilities, watch their already-extraordinary abilities change, and witness a whole host of chaos unlike anything the DCU has experienced before! It's up to Damian Wayne to put out the distress call for whoever can still hear it: come to the ruins of the Hall of Justice and help save the world! Poison Ivy, Power Girl, Cyborg, Batman, and more answer the call…but why could the fate of all life as we know it rest in the hands of…Monkey Prince?
